A classic drama serial of its time written by Hasina Moin!

Description:

The best combination of the great actors of all times - Rahat Kazmi, Saira Kazmi, Talat Hussain and Shakeel, all together in a play written by Hasina Moin, whose name is enough for a drama to be a hit. This drama is best known for the interactions between the major characters and dialogues that can be compared with the best that PTV has ever produced. Rahat and Sahira Kazmi (the husband and wife team) are terrific and so is the wonderfully wicked Talat Hussain (the character that he has played in this drama).

This drama is a must watch!
